Our Organization

Seneca Healthcare District (SHD) is a community-oriented critical access hospital and clinic located in Northern California situated in the beautiful Lake Almanor area basin with a full range of inpatient, outpatient, and emergency care. SHD is more than a hospital; we are a partner in health and wellness both inside and outside of our medical campus. As the healthcare industry seemingly becomes more streamlined and depersonalized, people are looking for a healthcare setting that feels more like a family. SHD strives to provide a consumer-friendly environment by never forgetting that we are in a business where our sole focus is on people.

SHD is committed to patient safety and quality care. That is why we are constantly working to be the provider of choice for our community. SHD encourages the efficient use of resources while providing a working environment that promotes the personal and professional growth of our employees. Join the team and Seneca Healthcare District and be more than a name badge, be part of a family made up of an entire community.
