REPLACEMENT CRITICAL-ACCESS HOSPITAL + SKILLED NURSING FACILITY

BID FOR CONSTRUCTION SERVICES – ADDENDUM 6

TO: PROSPECTIVE FIRMS

FROM: BUILDING Rx

DATE: 2 MAY 2024

SUBJECT: BID CLARIFICATIONS

-
- 1) **Deadline for bids is extended to be due Friday 5/17/24 at 11am.** Note that changes within the electrical drawings Increment 1 of Addendum 4 should be priced for that scope, knowing that updated electrical drawings for Increment 3 will be provided 5/10/24. Bidders should plan accordingly. All other details of the Notice Inviting Bids remains unchanged.
 - 2) **Deadline for RFIs/questions from potential bidders ONLY RELATED TO CONTRACT DURATION / CONSTRUCTION SCHEDULE is extended to be due Wednesday 5/8/24 at 3pm** to donna@building-rx.com AND coutland@senecahospital.org. Responses will be provided by 5/10/2024 at the latest.

If bidders believe that the contract number of days (see Contract, Section b. Time for Completion) is insufficient, we encourage Bidders to provide an RFI if needed to allow for a realistic and achievable construction schedule, thus aiming to avoid the need to anticipate costs associated with Liquidated Damages.
